

OFFICIAL LAUNCH - January 29, 2010

SAGE Foundation is planning an official launch with the event scheduled for **6 pm January 29th, 2010** to be held at the **HOTEL HILTON** (Metrotown) Burnaby, B.C.

This program was instituted in 2007 and has steadily gained recognition and respect within the Vancouver community. Its founder and co-chairperson **Honore M. Gbedze** works diligently with an esteemed local Board of Directors that soon expects to be joined by other high-profile and civic-minded individuals from across Canada (private citizens as well as members of Government); each of whom have received an invitation to accept Honorary Board Membership.

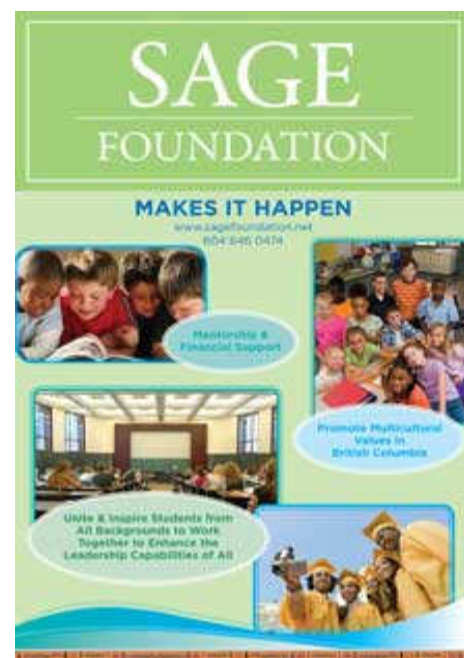

- **SAGE Foundation** is an associate of **Privilege Group Holdings** publishers of **The Afro News** newspaper. An excellent turnout is expected for this official launch.
- **Sponsors who are interested in providing support** for this worthy youth-oriented achievements recognition program are being sought.

We welcome sponsors' contributions of suggestions and ideas that can be incorporated into this event including signage, advertising, Guest Speakers, and etcetera. We actively promote SAGE Foundation programs on an ongoing basis and as well will be specifically acknowledging our sponsors' valued role and participation.

Those interested in becoming sponsors and all members of the media are asked to please contact our offices.

Yours Sincerely,

M.K. Honoré Gbedze
Founder /Co-Chairperson
